TERMINAL DISCLAIMER

Dear Sir:

The owner, Cordis Neurovascular, Inc., (a corporation of the State of Florida), of a 100 percent interest in the present application, hereby disclaims, except as provided below, the terminal part of the statutory term of any patent granted on the instant application which would extend beyond the expiration date of the full statutory term, as defined in 35 U.S.C. 154-156 and 173 (as presently shortened by any terminal disclaimer) of prior Patent No. 6,818,013. The assignment of this instant application relates to prior Patent No. 6,818,013, such assignment being effective for divisional applications, the instant application being such a divisional application.

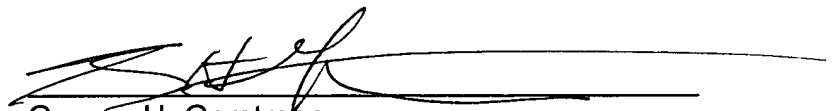

The owner agrees that any patent so granted on the instant application shall be enforceable only for and during such period that it and the prior patent are commonly owned. This agreement runs with any patent granted on the instant application, and is binding upon the grantee, its successors, and assigns.

In making the above disclaimer, the owner does not disclaim the terminal part of any term of a patent granted on the instant application that would extend to the expiration date of the full, statutory term, as defined in 35 U.S.C. 154-156 and 173, of the prior patent, in the event that the prior patent later: expires for failure to pay a maintenance fee, is held unenforceable, is found invalid by a court of competent jurisdiction, is statutorily disclaimed in whole or in part, or terminally disclaimed under 37 C.F.R. 1.321, has all claims cancelled by a reexamination certificate, is reissued, or is any manner terminated prior to the expiration of its full statutory term as presently shortened by any terminal disclaimer.

The undersigned is attorney of record.

A check for \$130.00 is enclosed as the terminal disclaimer fee. Please charge Deposit Account No. 19-1351 for any added fees that are required.

Respectfully submitted,
